**Subject:** RE: ACP dates

Thanks for the quick reply and sorry for not being clear: I only need remaining dates and particularly by when state can or needs to do (or not do) something.

Jenni:

Here are the Water Quality (401 Certification) dates. I'll see if I can quickly pull together the Air Quality and the Land Resources dates.

**Water Quality Certification process**

DEQ Stakeholder Meeting	March 23, 2017
401 WQC/Buffer Authorization Application Received	May 8, 2017
Public Notice of Project and Hearings	June 16, 2017
Public Notice Correction	June 19, 2017
DWR Request for Additional Information	June 27, 2017
Additional Information Received	July 12, 2017
Fayetteville Public Hearing	July 18, 2017
Rocky Mount Public Hearing	July 20, 2017
Public Comment Period Ends	August 19, 2017
DWR 401/Buffer Decision	September 18, 2017*

\*Unless the Division requests additional information which would re-set the Certification/Authorization clock. The deadline for a decision would be 60 days from the date that we receive the additional information from the applicant.

Mary Penny and John,

Can one of you educate me about ACP dates as far as deadlines for comments/input from who, by when, etc?  
I've seen info online in various places but not sure I'm following when the final deadline(s) is/are. Thanks.
